

# HSBC Premier Wealth Management Seminar

**HSBC PREMIER**  
The world's local bank

HSBC Premier presents wealth management seminars, conducted by economists from across the world who are familiar with respective markets.

In the coming seminar, Colleen Denzler will discuss the outlook of the US bond market in the post-Lehman world.

**Date :** 8 October 2009 (Thursday)  
Doors open at 6:30 PM  
Lecture from 7:00 - 8:00 PM

**Theme :** Outlook for the US bond market in the post-Lehman world

**Speaker :** Colleen Denzler, CFA  
Vice President and Client Portfolio Manager of Janus Capital Group.

Working closely with the portfolio managers and analysts, Ms. Denzler represents the firm's Janus-managed Fixed-Income, Asset Allocation and Growth and Income strategies to clients and prospective clients. Prior to joining Janus in May 2008, Ms. Denzler worked with American Century Investments where she served most recently as Vice President and Director Fixed Income Liaison, Head of Fixed Income Marketing Team. Ms. Denzler received her bachelor of science degree in finance from Radford University. Ms. Denzler holds the Chartered Financial Analyst designation.
